

2009 Fish-A-Thon Angling Log

Name: _____ Phone: _____

Email: _____ Are you 12 years old or under? Y N

Camera Brand and Model: _____

(i.e. Canon Powershot S530)

Body(s) of Water you fished on: _____

- One Angling Log per angler is required.
- Measure and photograph your fish with fish's mouth touching the end of the measuring stick, tail pinched and length clearly identifiable.
- Photograph yourself with the fish for the photo slide show presentation.
- Lengths should be recorded to the nearest 1/4"
- Largest Fish includes the following species: Sunfish, Crappie, Northern Pike, Musky, Walleye, Largemouth/Smallmouth Bass, and Rough fish
- Largest fish awards include a trophy and \$50 cash award to the winner in each category. For anglers age 12 and under a trophy and non-cash award will be given for largest fish in each category.
- Highest Average Categories include a limit of fish for the following species: (3) Northern Pike, (6) Walleye, (6) Bass (large/small combination).
- If you record a limit of fish and your largest fish wins the largest fish category, it will not be averaged in for the highest average category.
- Culling is not allowed.
- For this fish-a-thon if you release your fish after photographing and recording them, state and body of water slot limits do not apply. [You could record more than one 20"+ walleye.]
- This form will be collected at the digital weigh in at the award ceremony on September 12, 2009 at the Blue Line Sports Bar and Grill, Sartell. **You must be in line by 6:00 p.m. You must be present to win.**
- See Official Rules for detailed description of award categories and digital photography requirements.
- All MN angling and boating regulations apply unless otherwise noted.
